ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Milan Housing Authority (MHA) has completed this Agency Plan in consultation with both our residents, and the local community. The public is provided with an opportunity to review the plan and offer comments at a public hearing to be held on September 29, 2006. The Annual Agency Plan is summarized as follows:

1. Housing Needs
Our current waiting list holds 39 applicants. Our greatest demand is for 2-bedroom units with 49% of our applicants on that list. 26% of our applicants are waiting for a 1-bedroom apartment, 13% are on the 0-bedroom list, 7% are on the 3-bedroom list, and 5 % are waiting for a 4-bedroom apartment. The MHA does not have any current plans to expand its public housing stock.
2. Financial Resources
MHA expects to expend approximately \$ 556,000 in FY 2007 for Operations, Capital Improvements and administrative costs.
3. Eligibility, Selection and Admission Policies
The ACOP, Lease and all related policies comply with the requirements of the Quality Housing and Work Responsibility Act (QHWRA). Policies address de-concentration and income mixing, thereby encouraging higher income families in the developments. Although the MHA has provided incentives for higher income families, the majority of our applicants are from the extremely low income levels. All policies are reviewed on a regular basis.

4. Rent Determination/Discretionary Policies
The Authority's Minimum Rent is established at \$ 25.00.
5. Operations and Management
The MHA administers the HUD Conventional Public Housing Program and all policies comply with all mandated requirements of the QHWRA. All policies are available for review by the general public.
6. Grievance Procedure
The MHA Grievance Procedures are in compliance with the provisions of QHWRA.
7. Capital Improvements
Our projected funding under the Capital Fund Program (CFP) is approximately \$140,000. All such proceeds under the current Annual Plan are to supplement the Authority's Operating Fund.
8. Demolition and/or Disposition
The MHA has no current plans for demolition or disposition of Authority properties.
9. Designation
MHA has no designated development(s).
10. Conversion of Public Housing
MHA has no current plans to designate any developments or buildings to tenant-based assistance.
11. Homeownership
The MHA does not currently administer a homeownership program.
12. Self-Sufficiency Programs
The MHA has entered into an agreement with the TANF Agency to share information and/or target supportive services.
Approximately 12 MHA residents participate in Tennessee's "Families First" program.
13. Safety and Crime Prevention
Current services include increased cooperation with the Police Department, as well as allowing police officers to live in MHA housing developments.
14. Ownership of Pets
MHA has a pet policy that is in compliance with QHWRA requirements.

15. Civil Rights Certification
We have included the required certification regarding Fair Housing and Civil Rights within this plan.
16. Annual Audit
Our most recent annual audit is on file at our local HUD Field Office and is available for review at our main office during normal business hours.
17. Asset Management
It is the goal of the MHA to manage our assets (physical property, financial resources and manpower) as efficiently as possible to meet the intent of our mission statement. All applicable policies and procedures are in place to achieve this goal.

ATTACHMENTS

Attachment A- Definition of Significant Amendment and Substantial Deviation

The Milan Housing Authority will consider a “Substantial Deviation” to be a change in the Mission, Goals and Objectives of the PHA Plans that is duly determined by the Board of Commissioners and the Resident Advisory Board to be a deviation from the latest approved PHA Plans. If the Board of Commissioners and the Resident Advisory Board consider the change(s) in the Mission, Goals and Objectives to be substantial, in their determination, the Plans will be submitted to HUD for review and approval.

In addition, if there is a change in funding of greater than 20 percent of the Operating Budget and/or the Capital Fund amount, this will be considered an amendment/modification to the Plans, except for emergencies that are beyond the control of the PHA. If the item/activity is included in the 5-year Capital Improvement Program, it will not be considered a significant change although the cost may exceed the 20 percent threshold; therefore, not requiring HUD review and approval.

Attachment B - Pet Policy

- a. Definition of pets permitted in developments.

Ms. Cathy Pearson
2009 Westwood Manor
Milan, TN 38358

Attachment E – Progress in meeting 5-Year Plan Mission and Goals

The MHA has responded to the Resident Services and Satisfaction Survey (Attachment G) identifying efforts to increase customer satisfaction within the developments.

Efforts to improve management functions are included in the amendments to the ACOP and Lease.

Income mix is being accomplished by implementation of ACOP revisions and admissions criteria.

Increasing the number and percentage of employed persons in the developments is being accomplished by a preference for working families included in the revised ACOP.

Based on the PHA's waiting list the goals to ensure equal opportunity in Housing for all Americans are being met.

Physical improvements are continuing to be made to the developments for roofs, bathroom & kitchen improvements, windows, security and parking to not only improve the apartments for our residents but to also improve the REAC inspection score's.

Attachment F – Deconcentration Policy

The objective of the De-concentration Rule for public housing units is to ensure that families are housed in a manner that will prevent concentration of poverty families and/or a concentration of higher income families in any one development. The specific objective of the Milan Housing Authority (MHA) is to house no less than 40% of its public housing inventory with families that have income at or below 30% of the area median income by public housing development. Also, the MHA will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the MHA does not concentrate families with higher income levels, it is the goal of the MHA not to house more than 60% of its units in any one development with families whose income exceeds 30% of the area median income. The MHA will track the status of family income, by development, on a monthly basis by utilizing income data maintained by the MHA. To accomplish the de-concentration goals, the MHA will take the following actions:

1. At the beginning of each MHA fiscal year, the MHA will establish a goal for housing 40% of its new admissions with families whose incomes are at or

below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous MHA fiscal year.

A. To accomplish the goals of :

Housing not less than 40% of its public housing inventory on an annual basis with families that have incomes at or below 30% of area median income; and

Not housing families with incomes that exceed 30% of the area median income in developments that have 60% or more of the total household living in the development with incomes that exceed 30% of the area median income, in accordance with the incentives reflected in Section II, 6, Resident Selection, of the MHA's ACOP.

Attachment G – Resident Services and Satisfaction Follow-Up Plan

In fiscal year 2005, the HUD Real Estate Assessment Center (REAC) conducted a Resident Services and Satisfaction Survey of the residents of the Milan Housing Authority (MHA). As a result of the Survey of the residents, the Housing Authority is required to prepare a Resident Satisfaction Follow-up Plan for three (3) of the five (5) Sections/Factors reflected in the Survey.

The three Sections/Factors that the Housing Authority received the lowest scores were Communications with a score of 62.0 %, Safety 73.2 % and Neighborhood Appearance of 72.6 %. All other Sections/Factors were above the 75 percent threshold.

Communications - The residents believe that management could provide more information concerning maintenance and repairs, meetings and events, questions and concerns and is not supportive of the tenant/resident organization.

Safety - The residents believe that they are not safe in their apartments, parking areas and management does not take effective action against crime.

Neighborhood Appearance – The residents believe the recreation and common areas are not being maintained and broken glass, insects and rodents, noise and litter is a problem.

Plan Actions:

In an attempt to improve the concerns of the residents the following actions are/have being implemented:

Communications:

1. Since the residents were concerned about receiving information regarding maintenance and repairs the Housing Authority will continue to provide notices to the residents in accordance with the Lease and continue to listen to the residents in an effort to improve this resident concern.

2. Management will continue an exerted effort to improve the MHA newsletter to better inform the residents of meetings and events.
3. Management has appointed two new members to the Resident Advisory Board and will work with them and the residents to determine what their desires are regarding a resident/tenant organization.

Safety:

1. Management will continue to work with the Milan Police Department to insure a greater police presence in the developments.
2. Management will determine if additional lighting is needed in the common areas including parking and if it is needed insert in the Capital Fund Plan.
3. Management will continue to work with the Milan Police Department to help encourage a police officer to reside in MHA.
4. MHA will explore the possibility of setting up a police mini-precinct in the Administrative Office.

Neighborhood Appearance:

1. The Housing Authority has provided additional landscaping and will continue to work with the residents and encourage them to help keep their areas free of litter.
2. The Housing Authority will ask the Resident Advisory Board for suggestions before the submission of the Agency Plan.
3. The Housing Authority is instituting a stipend program to have two residents pick up litter twice each week.
4. The Housing Authority is working on a capital project to improve the parking areas.
5. The Housing Authority will increase its effort with the pest control company to help insure the insect and pest problems are under control. The Housing Authority will also continue to educate the residents on the importance of good housekeeping in controlling this problem.
6. The noise problem is somewhat out of our control because the streets are public and the residents feel the noise is generated by cars driving thru the MHA properties. Management will work with the Milan Police Department to make certain they are aware of the problem and they continue to enforce the city noise ordinance during their patrols on MHA property.

Attachment H – Community Service Policy

PHA Obligations:

1. The Housing Authority reviews and evaluates all individuals that are 18 years of age to determine if they are to perform the required Community Service activities on a monthly basis.
2. The PHA reviews family compliance with service requirements and verifies compliance annually at least thirty days before the end of the twelve month lease term. The PHA also obtains third party verification of family compliance. Documentation of service requirement performance or exemption is maintained in participant files.

3. The Housing Authority provides the resident with an approved list of activities that will meet the intent of the Law and Regulations.
4. The Housing Authority reviews and monitors the resident's activities to determine compliance with the eight hour requirement.
5. Residents that are required to perform the Community Service are notified by the Housing Authority of their responsibility.
6. The PHA complies with non-discrimination and equal opportunity requirements.

Resident Obligations:

1. The resident may submit a Community Service activity to the Housing Authority for approval within 15 days after the resident is notified that Community Services must be performed.
2. The resident may also provide evidence that he/she is working or is in an educational/training program at least 8 hours per month in order that Community Service would not be required.
3. The resident may also perform a combination of work, educational/training and community service of 8 hours per month to comply with the requirements of the Law.

(A list of eligible Community Service activities is posted in the PHA Office)
